I thank you very much for your advice and recommendations of the last office communication of 08/21/01.

I am looking for the services of a new Registered Patent Attorney or Agent to prosecute the application. I trust I will find one soon to practise before your Office.

I have demanded the three copies of the power of attorney, that I think one of them at least is signed without date, to my ancient representative Mr Lawrence Laubscher without response. I do not think he will do use of them like a mean of pressure to pay him invoices of debit notes he has invented which copies he has sent me twice.

I am looking forward to hearing from you,

Yours faithfully,

Gavela Vázquez Juan José
